

Equipping Leadership overview

The following modules have been designed to reflect some of the key foundational elements in mission among children and young people.

All of the modules are flexible so they can be tailored to meet the needs of your local context and the experiences of your volunteers. Each module takes approximately 1½-2 hours to complete (although this is dependent upon numbers, previous knowledge and the context of the training).

Equipping Leadership can be delivered locally through our national network of training advisors. These people will be available to discuss with you which modules would be appropriate for your situation.

GB Leaders (Lieutenants):

Module	Developing Christian Leadership: <i>Exploring what Jesus shows us about leadership and being equipped to live this out.</i>

Be equipped!

In addition to the above Equipping Leadership training (which is required by anyone looking to be a leader), there are throughout the year numerous national and local equipping events. These are great, optional, opportunities to:

- **Gather** with others for encouragement
- **Grow** in faith, skills and abilities
- **Go** into your community (and beyond!) fully refreshed and recharged.

Regularly check the GB web (www.girlsb.org) for details of these.
