

GB Trading Pricelist as of February 2019

From clothing and resources for work among children and youth, to gifts and cards for everyone, and badges and awards that celebrate achievement... everything purchased here makes a lasting contribution to our work.

CLOTHING

Knowing that you 'belong' is important to most people. It helps affirm our sense of identity and enables us to express our involvement and place in community. This is why GB produces a growing range of leisurewear clothing for friends and supporters and a clearly branded uniform especially for our local community group members (children and leaders in The Girls' Brigade England & Wales).

CHILDREN AND YOUNG PEOPLE'S UNIFORM

By wearing GB's up-to-date uniform, children and young people are joining in with the Great Big family of Girls' Brigade.

Our uniform reflects all the development GB has been through recently in our look, programmes and the names of our age-specific groups. This attractive style is designed to last well into GB's future. Children and young people are going to be looking good in their local **n:vestigate**, **n:gage**, **n:counta** and **n:spire** groups.

GB loves to say ‘Yes!’ ‘Yes, you can do this challenge!’, ‘Yes – you did it, well done... let’s celebrate!’ This is why one of the ways in which local GB community groups build and affirm the ‘Yes’ in young people is through celebration of their achievements. Badges, certificates and lots of other awards are regularly presented to GB members as the young people complete n:vestigations, challenges, tracks and adventures through GB’s fun programmes. This often occurs at special events where family and friends are invited to share in the ‘Yes!’ moment.
