

## November 2018

Below you'll find seven prayer points – one for each day of the week – so you can pray for each point around four times over the course of an average month, as well as the regular inspiring monthly Bible passage.

*'By the grace God has given me, I laid a foundation as a wise builder, and someone else is building on it. But each one should build with care. For no one can lay any foundation other than the one already laid, which is Jesus Christ.'*

*1 Corinthians Ch.3:10-11 (NIV).*

### Monday

**UK Parliament Week:** This takes place from 12-18 November, and each year it engages people with parliament and how they can get involved. Use it as an opportunity to pray for our government, and for our GB members to be change-makers too.

### Tuesday

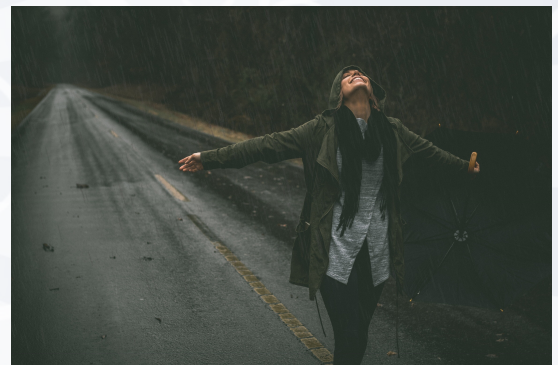

**Foundations:** Each week we come into contact with thousands of people through our local groups, koko online vlog, retreats, resources and more. Pray that all who engage with GB would know Jesus as a firm foundation and would build their lives on Him.

## Wednesday

*koko*: Following the release of a new koko film on kindness at the beginning of November, pray that many people would see this powerful film and be encouraged to take part in big and small acts of kindness in their everyday life.

## Thursday

*GB Europe*: The executive team, made up of representatives from all of the countries in GB Europe, will be meeting at the end of November in Northern Ireland. Pray that God would bless their conversations and relationships.

## Friday

*Black Friday*: 23 November sees the return of Black Friday, when prices are reduced, deals are aplenty and spending is at a high! Pray against any pressures people may feel to shop. Why not also spend some time praying gratefully for things you already have?

## Saturday

*GB conference*: Leaders from across GB England & Wales will meet in Birmingham on 3 November. As they explore supporting children and young people with additional needs, pray that GB groups will become places of radical inclusivity to all.

## Sunday

*Communities*: Spend some time praying for your local community and all those who don't yet know Jesus. Pray that God would strengthen the people and work of the local Church to look outside of their walls and transform the lives of many more people.
