

May 2018

Below you'll find seven prayer points – one for each day of the week – so you can pray for each point around four times over the course of an average month, as well as the regular inspiring monthly Bible passage.

' May the God of green hope fill you up with joy, fill you up with peace, so that your believing lives, filled with the life-giving energy of the Holy Spirit, will brim over with hope!'

Romans Ch.15:13 (MSG).

Monday

Residential Events: Pray for those making preparations for Residential Events... that they'll feel God's peace and that their plans enable those attending to experience fun and fellowship during their time away.

Tuesday

GB's Support Centre team: Pray for the GB Support Centre team during this busy period in the GB calendar, as the team respond to new legislation, enquiries, recording of census activities, registration of Residential Events and DofE Expeditions, and more. Give thanks for the team and all they do to support GB's members.

Wednesday

#WeAreGB125: Pray for the celebration events taking place across England and Wales - that past members reconnecting will see all that God is doing through GB and will be encouraged and inspired by the stories of hope in this generation.

Thursday

Spotlight: As GB's Spotlight resource is released, pray that groups engage with the resource and share their responses so that GB may be able to share with others how the work of GB transforms lives and communities as this generation seeks, serves and follows Christ.

Friday

Cliff Festival: Pray for all those currently preparing for the weekend, on 25-28 May, either leading sessions or coming along. Pray for Charlotte Hendy leading the 18-30s stream Radiate, Claire Rush who will be leading workshops, and GB's President Rachel Gardner as she leads worship. Pray that those attending will be set ablaze for God.

Saturday

GB members: At this time of Pentecost we pray that GB members will be filled with the life-giving energy of the Holy Spirit so that others may see God reflected in them as their words and actions brim over with hope.

Sunday

Those at university: Pray for those finalising dissertations and waiting for exam results. We think especially for those in their final year facing choices for their next steps in life, that God will show the right road for them to walk.
