#### Travel Pool – Council Members Only:

Travel pool is a way of helping all who come to conference pay the same amount for doing so. A fixed fee of £30 is payable by all Council members, even if they car share. Below are some examples of how it works. See Travel Pool Notes on Page 2 for more details.

It costs Sue £70 to travel to conference so she deducted the £30 fixed travel pool cost. GB paid her £40, Sue then paid £10 conference fee for the day. Claimed altogether £30.

It costs Caroline £10 to travel to conference she paid into travel pool to bring the amount up to £30, so paid GB £20. And also paid her conference fee of £10 on top.

It costs Vic £30 to travel to conference she did not have to pay in or claim as she broke even in the travel pool. Vic then paid £10 for her conference fee.

Sally and Amy are both council members and decide to travel by car to conference together. Their journey costs £25. The driver should then pay £5 into travel pool & £10 conference fee. The passenger should pay £30 into the travel pool & £10 conference fee.

**The fixed amount for travel pool is £30.00.**

Please quote TOTAL cost of your return journey (calculating your estimated petrol costs) £  and complete one of the following options:

a) If your return journey costs less than £30.00, please pay the additional amount to bring your total to £30.00\*.

**TO PAY:** Travel pool costs\* £  + £10 conference fee = Total to pay £

b) If your return journey costs more than £30.00, we will refund you the cost of your journey minus the £30.00\*\*.

**TO PAY:** Travel pool costs\*\* £  - £10 conference fee = Total to claim £

If your claim is over £15, please indicate if you would like to receive your refund by cheque or bank transfer:

by cheque  by bank transfer (a form will be available at the registration desk for you to complete on the day).

c) BREAK-EVEN (i.e. if your journey costs exactly £30.00): (£10 conference fee only to pay) – please tick
