Team Challenge for 4-8s is about the story of Baby Moses from the Old Testament of the Bible.

We're going to have a story, a game and a craft activity all based on this theme.

Explore It! – Read the story of Baby Moses to the group.

Does everyone remember the story of Joseph and his coat of many colours? This story takes place about 200 years later!

The people who were from the family of Joseph were called Israelites. The Israelites had children, and their children had children and soon there was too many to count.

Most of the Israelites lived in Egypt where there were also a lot of people called Egyptians. The Egyptian king who was called Pharaoh didn't like it that there were so many Israelites and he thought they would one day take over the land. So he decided to make all the Israelites into slaves.

He made them work from early in the morning till late at night doing very hard work. It was very bad.

Pharaoh still wasn’t happy. The Israelites were still growing in number so he decided to make a law. If any boys were born to the Israelites he would have them killed.

At this time there was an Israelite couple who had a baby boy. They decided to hide him because they didn’t want anyone to kill their beautiful, precious baby.

They hid the baby for three months, but as he got older he cried louder than before. So his parents made a strong basket to put the baby into and placed it in some tall grass in the Nile river.

The baby had a sister named Miriam, and she watched from a distance to see what would happen to her baby brother. While she was watching she saw somebody coming, she realised it was Pharaoh’s daughter and her servants.

Pharaoh’s daughter had come for a swim. While she was swimming she noticed a basket floating a little way away in the tall grass. So she asked one of her servants to go and see what it was.

The girl brought the basket over to her, and when Pharaoh’s daughter opened it she saw the baby. “It must be an Israelite baby,” Pharaoh’s daughter said to her servants.

Miriam had seen what had happened, and she hurried over and asked, "Would you like me to go and find an Israelite woman to look after the baby for you?"

"Yes, go and find someone who can nurse the baby" she answered. Miriam ran as fast as she could and told her mother that Pharaoh’s daughter had found the baby and wanted someone to nurse him.

Miriam and her mother went to Pharaoh’s daughter, and she asked them, "Please help me and nurse this baby, and I will pay you for helping me." Pharaoh’s daughter named the baby Moses, which means she got him out of the water.
