Introducing...

Kosova Mission Teams Summer 2012

in partnership with

The story What is FIZZ?

An initiative from Girls' Brigade Europe, established in 2009, to inspire GB leaders aged 16+ to get involved in mission! Through **FIZZ** GB leaders get together with others from around the fellowship, spend time in specific mission teams, travel to a mission centre and make a difference in the lives of others!

What is GB Europe?

GB around the world is grouped into five fellowships and GB Europe is one of these. GB in England and Wales, Ireland, Northern Ireland, Romania, Scotland (and now we're developing GB Kosova) are all part of GB Europe. Leaders from each of these countries meet together regularly to see how, by sharing news, skills, ideas, resources, prayer and friendship we can support GB to grow more and more in Europe. **FIZZ** has grown out of our shared passion for women in GB to have great new opportunities to share their faith, skills and gifts with others.

What's the FIZZ connection with Smile International?

In 2009 GB Europe and Smile formed a mission partnership to give our **FIZZ** summer teams the opportunity to get into action alongside a Christian charity (no.1079370) experienced in mission team work. As a result of our partnership there are now three GB companies in Kosova! Check out the work that Smile does in Europe, Africa and Asia with widows, orphans and the poor and needy - www.smileinternational.org.
