

Below you'll find seven prayer points – one for each day of the week – so you can pray for each point around four times over the course of an average month, as well as the regular inspiring monthly Bible passage.

'Then God's Message came to me: "Can't I do just as this potter does, people of Israel?" God's Decree!' Watch this potter. In the same way that this potter works his clay, I work on you, people of Israel. At any moment I may decide to pull up a people or a country by the roots and get rid of them. But if they repent of their wicked lives, I will think twice and start over with them.'

Jeremiah Ch.18:5-10 (NIV).

Monday

GB volunteers: Pray that GB volunteers know they're safe in the potter's hands and that His constant shaping and reshaping of their lives and situations they face will draw them closer to Him.

Tuesday

GB's n:vestigate and n:gage members: Give thanks that GB groups are a safe space for these age groups to have fun, make new friends, and learn new skills.

Wednesday

GB's n:counta and n:spire members: Sometimes life can be overwhelming when you're a young woman trying to find out who you are and where you fit in. Pray that these age groups have hope in God's plan for their lives and where journeying with Him will take them.

Thursday

You: There is always the potential for the potter, God, to create something beautiful even when situations seem hopeless. Pray for strength to believe this when times are tough for you and your loved ones.

Friday

Spring conference: GB's spring conference takes place on Saturday 4 March and will look at the important issue of mental health. Pray for all those who will share and watch the new koko video being launched at the event. May it have the potential to bring a sense of hope and encouragement to those facing challenges with their mental health.

Saturday

#WeAreGB125: As the regional tour continues to move around the country, visiting Regions 1 and 9 this month, pray those participating will be encouraged to see the part that they and their groups can play in raising hope in 2018, GB's 125th year.

Sunday

Annual census: It's the time of year when the annual census emails go out. Pray for patience for GB leaders with such 'paperwork' and that it's an encouraging time as they reflect on all that has happened in the past year.
